

Infectious Diseases Institute

Employment Opportunities

Background:

The Infectious Diseases Institute (IDI) is a Ugandan not-for-profit organization whose mission is to strengthen health systems in Africa, with strong emphasis on infectious diseases, through research and capacity development. IDI has six operational areas through which it works to achieve its mission: Prevention, Care and Treatment; Training, Research, Laboratory services (including the CAP-certified IDI Core Lab & Translational Lab), Global Health Security and Health System Strengthening.

The Institute anticipates the award of a five-year USAID-funded project (2020-2015) titled **USAID Program for Accelerated TB Control in Karamoja (USAID PACT-Karamoja)** that aims to increase TB case detection in all districts of Karamoja region. In collaboration with key stakeholders in the region, PACT-Karamoja will focus on regional and district structures for the management of drug susceptible TB, drug resistant TB and TB preventive services in the districts of Abim, Amudat, Kaabong, Karenga, Kotido, Moroto, Nabilatuk, Nakapiripirit and Napak

In order to contribute to achievement of the above objectives, IDI wishes to recruit motivated and competent individuals to fill the vacancies below on a full-time basis;
